Press Release

Laudenbach, Germany, July 8, 2021

Acquisition of ROCA DEFISAN SL (Spain) and FUMITECH Lda. (Portugal).

The Detia Degesch Group (DDG) based in Laudенbach, Germany has acquired Roca Defisan SL in Spain and its sister company in Portugal, Fumitech Lda. effective July 08,2021.

The success story of the the Detia Degesch Group is based on long-term thinking, continuous willingness to invest and financial independence. The family tradition has stood for quality, expertise and innovation for over 200 years.

With the synergy of the two companies, the Detia Degesch Group based in Laudенbach continues to grow. The medium-sized family company, which already plays a leading role internationally in the field of stored goods protection, expands its market position with the acquisition of the Spanish company Roca Defisan SL and its Portuguese sister company Fumitech Lda.

Dr. Marco Rudolf, Managing Director of the Detia Degesch Group: “We are very pleased to be actively driving our growing business in stored product protection with this acquisition. As Detia Degesch Group, we will be able to offer an even broader range of solutions for our customers and further develop our products and services with and for our customers in a future-oriented manner. The experience and the know-how of all employees will support us in further developing our leading role. We look forward to working with around 120 new colleagues by our side.”

Since its establishment in 1982, Roca Defisan SL, headquartered in Valencia, has been one of the leading companies in Spain providing services for the public health sector, phytosanitary post-harvest treatments and the health maintenance of the storage of agricultural raw materials for the food and feed industries.

Fumitech Lda. was founded in 2009 and is based in Lisbon. Like Roca Defisan SL, this company is also active in the service sector.

Both companies will continue to operate under their previous names.
